## 2021 CHARDONNAY

BROKEN ROAD VINEYARD

KING BIRD

### INTRODUCTION

The Broken Road Vineyard is one of the raciest vineyards on the mountain. This Chardonnay has so many bright and clean flavors such as candied green apple and lime blossom. Medium to full-bodied, it's elegant all the way through with great balance.

### VINEYARD

Broken Road Vineyard is located at 1,800 feet elevation on Alexander Valley Mountain Estate within the Mayacamas Mountain Range. The vines face southwest on a very steep slope as the rows align north to south. Rooted in Yorkville Clay Loam.

### ACCOLADES

"The 2021 Chardonnay King Bird Broken Road is a bright straw/green hue and opens with a bright nose of lime blossom, toast, candied green apple, and white flowers. Medium to full-bodied, it's elegant all the way through, with lovely, refined balance and a hint of orange creamsicle. This is going to have some real longevity, with a wide drinking window over the next 10–12 years. 74 cases produced."
